Part B for oct 47

SUBJECT

Construction of a combined Urinal Latrine and bath rooms above the Fourth B cross Road Bangalore city.

To The mc - comm^r Bangalore city

Dated 10-6-47

States that the question of — may be dropped

K,

a combined urinal, latrine
ms along the Tank Road Bangalore city.

General and Revenue Secretariat

File No 1978/Rly of 191

Serial No

Letter No A-788-D 7 2 47 from the Ry Secy requesting orders for the retention of Ry land required by the B'lore City Municipality for construction of combined urinals & latrines etc by the B'lore City Municipality on the Dharmambudi Tank Bund Road, was touched in G.O No R 14806-9/ML dt 29.6.46.

2) As the above construction has to be done on the area measuring 15'0' x 60', lying in Ry premises (marked red in the sketch), the Municipality has now requested for the said land being placed at the disposal of the municipality.

3) G.M. states that the Ry Dept was not consulted in the matter previously, that the Dept is already cramped for space for Ry offices and quarters to be built & for the construction of sanitary conveniences & also a building to locate all the Ry Offices (existing) at B'lore.

4) The views in the above circumstances that it is not possible or advisable to relinquish the Ry land in question in favour of the Municipality, and requests orders of Govt for the retention of the said land for the future improvements of the Ry Dept.

5) As the G.O dt 29.6.46 directing the construction of bath rooms etc on the Ry land was passed in the L.S.G. Br., the file may be sent to that Br for necessary action on the present proposal

General and Revenue Secretariat

Serial No. 8157 L

6) I agree with the G M that it would be most inadvisable to locate the proposed public urinals and latrines within the railway compound on the Dharmambudhi Tank Bund Road. It would be most objectionable to do so in as much as there are already several railway staff quarters in this compound, and they are cramped for space. To locate a public latrines & urinals so close to these quarters and buildings would make conditions intolerable for the inmates of these buildings. So, the area asked for may not be handed over for the purpose contemplated.

7 A better location would perhaps be far away from these quarters on the tank bed itself, with a flight of steps leading to the urinals & latrines. This would also make them not so very conspicuous.

8 The Gen. also complains that the Ry. administration was not consulted in this matter

WD 03814—GPB—15 000—29/46

The information called for from
the Chief Engineer for Roads
& Buildings on the subjects enquired
for has been received on 16-9-47

In the meanwhile, reference
is invited to the letter dated
7th September 47 from the Municipal
Engineer stating that the
proposal for the construction of
urinals in the Land Tax Block
may be dropped, as it is reported
by the Municipal Engineer that there is
difficulty of discharging the sewage
to the nearest sewer line in the
road which is laid at a higher level
than the bed of the tank & that it
is not advisable to have a syphon
tank in the bed of the tank since
the quantity of sewage to be treated
will be very large

If this opinion may be accepted and
the order issued
relative thereto should be communicated to the Municipal
authorities, necessary action may be taken from
their side.

To

The Secretary to the Government of His Highness
The Maharaja of Mysore, Railway Department, Bangalore

Sir,

Constructing a combined urinal, latrine and bath rooms along the Tank Bund Road, Bangalore City

---

I have the honour to state that the Municipal Commissioner, Bangalore City has written to me that the construction of combined urinals and latrines and bath rooms along the Tank Bund Road in the Bangalore City at the place marked in the enclosed sketch has been sanctioned in G O No L 14806-9/ML 4045-60 dated 29th June 1946 (Vide copy enclosed) and that land measuring 150' x 60' lying in Railway premises may be placed at the disposal of the Municipality A copy of letter No A2 C 124/44 dated 4/1/1947 along with a copy of Municipal Engineer's letter dated 24/10/1946 is enclosed

In this connection, I am to state that this department was not consulted in the matter before the proposal was sanctioned by Government The area marked in red in the plan required by the Municipality is within the Railway Compound just behind the Railway staff quarters to the east of the Broad Gauge and Narrow Gauge

As matters stand, we are already cramped for space for our Railway Offices and quarters to be built according to programme and for the construction of the appertinent sanitary conveniences

As it is also under contemplation to construct a building to locate all the Railway Offices now located at Bangalore, I am of opinion that it is not possible or advisable to relinquish the area in question in favour of the Municipality at this juncture

I shall be glad if you will please move the matter with Government and obtain their orders for the retention of the land in question for our future improvements

I have the honour to be,
Sir,
Your most obedient servant,

M Venkatam
General Manager

1 cc

Copy of letter No.A2 C.124/44 dated 4th Ja[redacted].1947 from the Municipal Commissioner,Bangalore,to the General Manager,Mysore State Ry.Mysore

I have the honour to state that the construction of combined urinals and latrines and bath rooms along the Tank Bund Road in the Bangalore-City at the place marked in the enclosed sketch has been sanctioned in G O No L 14806-9/M1 40-45-60 dated 29th June 1946(copy enclosed) The area required measures 150'x 60' and it lies in the premises of the Railway staff quarters along the Tank Bund Road

A copy of the Municipal Engineer's letter No E4 G1 379/46 dated 24-10-1946 explaining the details of the construction is herein enclosed for favour of reference I request that in the circumstances stated therein the bit of land referred to above may kindly be arranged to be placed at the disposal of the Municipality very early

---

A.C.

Letter No F4 G1 379/46 dated 24th October 1946, from the Executive Engineer, City Municipality, to the Commissioner, Bangalore City Municipality

---

Subject Constructing a combined urinal, latrine and bath in Dharmambudhi Tank Bed

---

With reference to the above, I have the honour to request you kindly to address the General Manager, Mysore Railways and to request that the land required for locating above lies in Mysore Railway premises and may be handed over to the Municipality for constructing the building as noted in the order above

A sketch showing the position in the Railway premises is herewith submitted for information The area required is 150' x 60' The discharge from the latrine will be conveyed in Underground pipe line along the Tank Bund Road and dropped in the Man-hole of Municipal Sewer line There will not be any inconvenience to the Railway staff due to the construction of the latrine etc

The General Manager may be requested to comply early regarding handing the land required by the Municipality

Correspondence ending with letter No-A2 P R 312-C 1423/44 dated 22nd March 1946 from the Municipal Commissioner, Bangalore City forwarding for sanction a modified estimate amounting to Rs 24,000 for constructing combined urinals and latrines and bath-rooms in the Dharmambudhi Tank bed, and adding that only one tender from Mr B Mannaji Rao for Rs 23,165-14-0 for the work has been received and requesting sanction thereto

2 Unofficial Note No 411 dated 3rd June 1946 received from the Chief Engineer for Roads and Buildings, on the subject

Order No L 14806-9/M1 40-45-60 Dated, Bangalore, the 29th June 1946

Sanction is accorded to the modified estimate amounting to Rs 24,000/- for the above work, with the following observations -

Though the design of the building is in order, its location as proposed seems objectionable If it is constructed on the site suggested by the Municipal Council, it would come in the way of the proposed extensions of the approach roads to the City Rly Station The building may therefore be shifted to the site shown red in the enclosed plan Approval is also accorded to the acceptance of the only tender of Mr B Mannaji Rao for Rs 23,165-14-0 for the above work

The expenditure in this behalf will be met from out of the funds of the Bangalore City Municipality
